# NLG SEMINAR "Carry on Shared Ownership"

## Seminar Leads:

*Justin Bates - Arden Chambers,  
Bridget Stark-Willis - Senior Lawyer, Capsticks  
Alan Wake - Chief Executive, National Leasehold Group*

First established in 1976, Shared Ownership has for some time been a key tenure for those looking for Affordable housing options in this country. This Seminar, aimed at all those involved with managing and developing Shared Ownership property, will examine the product as it looks today. We will also identify challenges moving forward as customer profiles change and the market signposts many more people to the product and government housing agendas continue to demand an increase in supply. We will address the key issue of customer satisfaction with Shared Ownership and look at important research on the subject.

## This interactive day will include:

- **How has the product changed?**
- **Customer satisfaction issues**
- **Alternative solutions**
- **Research findings**
- **The legal challenges**
- **The role of the market**
- **How informed are purchasers?**

**NLG MASTERCLASS PRICE**
